ST MAX II PC Pro

Finish every job, every day!
for Professionals

Your Ideal 'Buddy' for Renovation Jobs

When you need to increase productivity in order to handle medium residential and light commercial jobs, ST Max™ II PC Pro delivers the performance you want. Available in a compact stand version or the more featured cart version, it offers direct suction, a kick back, hose wrap and toolbox as a premium.

We equipped all ST Max™ II PC Pro sprayers with a Contractor PC™ gun with green low pressure Smarttips™, SmartControl, a digital display, Brushless motor design, ProGuard™ and FastFlush™ - just for you.

ST MAX II PC PRO FEATURES

The ST Max II PC Pro range is the ideal product for painting the interiors of family houses or small residential jobs. You can easily spray virtually all interior paints, laquers, varnishes and enamels.

Easy-Out™ Pump Filter

- Large filtering area reduces tip clogs and ensures a quality finish
- Inside out filter design filters won't collapse and clean with only a few litres
- Vertical filter design allows for easy removal with the cap, eliminates spillage

Fast Flush

Save time cleaning your unit: The FastFlush™ pump cleaning system cleans the unit up to four times faster using only half the water.

On-board Toolbox

Convenient storage container keeps tools, tips, filters and accessories where you need them most (Hi-Boy).

Digital display

Quickly read pressure, litres, hours, diagnostics and error messages with the digital display installed.

Hopper

A convenient 5.7 litre hopper, compatible with all units

Durable Cart Design

- Thick chrome over steel for rugged environments
- Retractable handle doubles as a hose wrap for easy removal of coiled hose
- Comfortable inlet suction allows suction of unthinned paint (up to 30-litre buckets)
- TiltBack™ easily allows one-man bucket change

GRACO

Powered by:

SMARTCONTROL™

SmartControl 3.0 with ProGuard™+
- Delivers best finish and lowest dead band at any pressure

ProGuard™+
Sprayer Protection System guards against poor or extreme job site power conditions
(230V models only)

Semi-pneumatic Wheels
- Roll easily over rough terrain

Contractor PC™ Gun

LONGEST LASTING, MOST DURABLE GUN YET.

Best finish quality

➤ Enjoy all the benefits of green SmartTips, contractor-preferred low pressure technology worldwide

Finish jobs faster with less fatigue

➤ Lowest weight, lightest trigger pull & trigger length adjustment

Maximise uptime

➤ Exchange the fluid section yourself with ease: one cartridge, no tools.

EXTEND YOUR REACH!

JetRoller™

The ideal renovation tool

Extend your sprayer with the JetRoller and minimise application time when combining rolling and spraying into a single operation. Uses commonly available 18 or 25 cm roller covers.

Benefits:
- Reduces overspray
- Eliminates reaching
- Eliminates climbing and continually reaching up and down
- Completes large jobs in half the time compared to traditional methods

Kit includes a lightweight detachable roller frame, 50 cm extension, CleanShot™ Shut-Off™ valve, Inline™ gun, spray tip and guard.

! TIP
With a spare pump ready, you'll always be able to finish your job!

No more time wasted or money lost to labour charges on pump repairs.

Exchange your pump easily YOURSELF in 3 steps in case any damage appears.

Loosen the clamping nut

Open door and remove pump

Remove hose and suction tube

Fast Pump Replacement
- 1-minute job site replacement
- Keeps you spraying instead of waiting for service
- No pins or parts to lose!
